TABLE OF CONTENTS

PART I

ITEM 1 DESCRIPTION OF BUSINESS

General

The business of Eat at Joe's, Ltd. (the "Company") is to develop, own and operate theme restaurants called "Eat at Joe's (R)." The theme for the restaurants is an "American Diner" atmosphere where families can eat wholesome, home-cooked food in a safe friendly atmosphere. Eat at Joe's, the classic American grill, is a restaurant concept that takes you back to eating in the era when favorite old rockers were playing on chrome-spangled jukeboxes and neon signs reflected on shiny tabletops of the 1950's.

The Company presently owns and operates three theme restaurants: one restaurant located in Philadelphia, Pennsylvania; one in Etobicoke, Ontario, Canada: and one in Toronto, Canada. The Company is planning at least four acquisitions during 2001, subject to the availability of funding. All restaurants will be located in high traffic locations. The restaurants will be modest priced restaurants catering to the local working and residential population rather than as a tourist destination.

In March of 1999, 1337855 Ontario, Inc. ("Ontario"), wholly owned subsidiary of the Company entered into a purchase agreement with Koo Koo Roo Canada Limited (Koo Koo Roo) to acquire certain assets and assume certain liabilities of that company. Koo Koo Roo is a California-based casual dining, quick service restaurant chain featuring skinless flame broiled chicken, roasted hand-carved turkey and made-to-order tossed salads and specialty sandwiches. Ontario acquired a 20 year exclusive license agreement in Canada with a 20 year renewal term to operate Koo Koo Roo restaurants.

On July 1, 2000, the Company opened a new restaurant in Toronto, Ontario. The restaurant is called "Mediterraneo" and offers primarily Italian Cuisine.

The Company's common stock is traded on the National Association of Security Dealers, Inc. (the "NASD's") OTC Bulletin Board Under the symbol "JOES."

History

The company was incorporated as Conceptualistics, Inc. on January 6, 1988 in Delaware as a wholly owned subsidiary of Halter Venture Corporation ("HVC"), a publicly-owned corporation (now known as Debbie Reynolds Hotel and Casino, Inc.) In 1988, HVC divested itself of approximately 14% of its holdings in the Company by distributing 1,777,000 shares of the issued and outstanding stock of the Company to its shareholders. The then majority shareholder of HVC became the majority shareholder of the Company. Its authorized capital stock is 50,000,000 shares

of common stock, par value $0.0001 per share and 10,000,000 shares of preferred stock, par value $0.0001 per share.

During the period from September 30, 1988 to March 1, 1990, the company remained in the development stage while attempting to enter the mining industry. The Company acquired certain unpatented mining claims and related equipment necessary to mine, extract, process and otherwise explore for kaolin clay, silica, feldspar, precious metals, antimony and other commercial minerals from its majority stockholder and unrelated third parties. The Company was unsuccessful in these start up efforts and all activity ceased during 1992 as a result of foreclosure on various loans in default and/or abandonment of all assets.

From March 1, 1990 to January 1 , 1997, the Company did not engage in any business activities.

On January 1 , 1997, the Shareholders adopted a plan of reorganization and merger between the Company and E. A. J. Holding Corp. Inc. ("Hold") to be effective on or before January 31, 1997. Under the plan, the Company acquired all the issued and outstanding shares of "Hold", a Delaware corporation making "Hold" a wholly owned subsidiary of the Company for 5,505,000 common shares of the Company.

In addition to its wholly owned subsidiary, Hold, the Company has eleven wholly owned subsidiaries:

- *E.A.J. PHL Airport, Inc. a Pennsylvania corporation,*
- *E.A.J. Shoppes, Inc., a Nevada corporation,*
- *E.A.J. Cherry Hill, Inc., a Nevada corporation,*
- *E.A.J. Innerharbor, Inc., a Nevada corporation,*
- *E.A.J. Neshaminy, Inc., a Nevada corporation,*
- *E.A.J. PM, Inc., a Nevada corporation,*
- *E.A.J. Echelon, Inc., a Nevada corporation,*
- *E.A.J. Market East, Inc., a Nevada corporation,*
- *E.A.J. MO, Inc., a Nevada corporation,*
- *E.A.J. Syracuse, Inc., a Nevada corporation,*
- *E.A.J. Walnut Street, Inc., a Nevada corporation,*
- *E.A.J. Owings, Inc., a Nevada corporation.*
- *1337855 Ontario Inc., an Ontario corporation,*
- *1398926 Ontario Inc., an Ontario corporation.*

During the year ended December 31, 2000, the Company changed the domicile of each of the following subsidiaries to Nevada; E.A.J. Hold, Inc., E.A.J. Shoppes, Inc., E.A.J. Cherry Hill, Inc., E.A.J. Innerharbor, Inc., E.A.J. Neshaminy, Inc., E.A.J. PM, Inc., E.A.J. Echelon, Inc., E.A.J. Market East, Inc., E.A.J. MO, Inc., E.A.J. Syracuse, Inc., E.A.J. Walnut Street, Inc., and E.A.J. Owings, Inc.

Each of the subsidiaries had operated a single restaurant. Two restaurants, E.A.J. Cherry Hill

and Eat At Joe's U. of P. were opened November and December 1997, two additional restaurants, E.A.J. Echelon Mall and E.A.J. PHL Airport were opened May 1998, Eat at Joe's U of P 40th Street opened July 1998, E.A.J. Gallery opened August 1998, Eat At Joe's Harborplace opened September 1998, E.A.J. Moorestown opened October 1998 and 1337855 Ontario acquired March 1999 with three existing restaurants in operation.

During 1999, E.A.J. Cherry Hill, Inc., E.A.J. Gallery, Inc., Eat At

Joe's Harborplace, Inc., E.A.J. Echelon Mall, Inc., and two of the 1337855 Ontario restaurants were closed and substantially all assets and leasehold improvements abandoned.

During 2000, E.A.J. MO, Inc., E.A.J. Shoppes, Inc., E.A.J. Walnut Street, Inc., and the third 137855 Ontario restaurants were closed and substantially all assets and leasehold improvements abandoned.

The principal executive offices of the Company are located at 670 White Plains Road, Suite 120, Scarsdale, NY 10583.

The Company's wholly-owned subsidiary 1337855 Ontario shares office space of approximately 1,000 square feet in Ontario with an officer of the Company.

OPERATING LOSSES

The Company has incurred net losses of approximately $3,017,000 and $6,452,000 for the fiscal years ended December 31, 2000 and December 31, 1999, respectively. Such operating losses reflect developmental and other start-up activities for 2000 and 1999 and the loss on abandonment assets during 2000 and 1999. The Company expects to incur losses in the near future until profitability is achieved. The Company's operations are subject to numerous risks associated with establishing any new business, including unforeseen expenses, delays and complications. There can be no assurance that the Company will achieve or sustain profitable operations or that it will be able to remain in business.

FUTURE CAPITAL NEEDS AND UNCERTAINTY OF ADDITIONAL FUNDING

The Company was not in full operations during 2000 and 1999 and thus, the revenues generated are not representative of those that will be generated once all units are operating. Revenues are not yet sufficient to support the Company's operating expenses and are not expected to reach such levels until the first or second quarter of 2001. Since the Company's formation, it has funded its operations and capital expenditures primarily through private placements of debt and equity securities. See "Recent Sales of Unregistered Securities." The Company expects that it will be required to seek additional financing in the future. There can be no assurance that such financing will be available at all or available on terms acceptable to the Company.

GOVERNMENT REGULATION

The Company is subject to all pertinent Federal, State, and Local laws governing its business.

Each Eat at Joe's is subject to licensing and regulation by a number of authorities in its State or municipality. These may include health, safety, and fire regulations. The Company's operations are also subject to Federal and State minimum wage laws governing such matters as working conditions, overtime and tip credits.

RISK OF LOW-PRICED STOCKS

Rules 15g-1 through 15g-9 promulgated under the Securities Exchange Act of 1934 (the "Exchange Act") impose sales practice and disclosure requirements on certain brokers and dealers who engage in certain transactions involving "a penny stock."

Currently, the Company's Common Stock is considered a penny stock for purposes of the Exchange Act. The additional sales practice and disclosure requirements imposed on certain brokers and dealers could impede the sale of the Company's Common Stock in the secondary market. In addition, the market liquidity for the Company's securities may be severely adversely affected, with concomitant adverse effects on the price of the Company's securities.

Under the penny stock regulations, a broker or dealer selling penny stock to anyone other than an established customer or "accredited investor" (generally, an individual with net worth in excess of $1,000,000 or annual incomes exceeding $200,000, or $300,000 together with his or her spouse) must make a special suitability determination for the purchaser and must receive the purchaser's written consent to the transaction prior to sale, unless the broker or dealer or the transaction is otherwise exempt. In addition, the penny stock regulations require the broker or dealer to deliver, prior to any transaction involving a penny stock, a disclosure schedule prepared by the Securities and Exchange Commission (the "SEC") relating to the penny stock market, unless the broker or dealer or the transaction is otherwise exempt. A broker or dealer is also required to disclose commissions payable to the broker or dealer and the registered representative and current quotations for the Securities. In addition, a broker or dealer is required to send monthly statements disclosing recent price information with respect to the penny stock held in a customer's account and information with respect to the limited market in penny stocks.

LACK OF TRADEMARK AND PATENT PROTECTION

The Company relies on a combination of trade secret, copyright and trademark law, nondisclosure agreements and technical security measures to protect its products. Notwithstanding these safeguards, it is possible for competitors of the company to obtain its trade secrets and to imitate its products. Furthermore, others may independently develop products similar or superior to those developed or planned by the Company.

COMPETITION

The Company faces competition from a wide variety of food distributors, many of which have substantially greater financial, marketing and technological resources than the Company.

EMPLOYEES

As of March 30, 2001, the Company had approximately 36 employees, none of whom is represented by a labor union.

ITEM 2 DESCRIPTION OF PROPERTY

Since 1997 all administrative activities of the Company have been conducted by corporate officers from either their home or business offices. Currently, there are no outstanding debts owed by the Company for the use of these facilities and there are no commitments for future use of the facilities.

The Company's wholly-owned subsidiary E.A.J. PHL Airport, Inc. leases approximately 845 square feet in the Philadelphia Airport, Philadelphia, Pennsylvania pursuant to a lease dated April 30, 1997. E.A.J. PHL Airport pays $7,100 per month rent under the lease which expires April 2007.

The Company's wholly-owned subsidiary 1398926 Ontario leases an approximately 5,200 square feet for the Mediterraneo Restaurant in the Humbertown Shopping Center located in Etobicoke, Ontario, Canada. 1337855 Ontario pays $14,500 Canadian Dollars per month rent under the lease which expires in the year 2015, with an additional five year option.

ITEM 6 MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATIONS

Plan of Operations - Eat at Joe's Ltd. Intends to open and operate theme restaurants styled in an "American Diner" atmosphere where families can eat wholesome, home cooked food in a safe friendly atmosphere. Eat at Joe's, the classic American grill, is a restaurant concept that takes you back to eating in the era when favorite old rockers were playing on chrome-spangled jukeboxes and neon signs reflected on shiny tabletops of the 1950's. Eat at Joe's fulfills the diner dream with homey ambiance that's affordable while providing food whose quality and variety is such you can eat there over and over, meal after meal. To build on the diner experience, a retail section in each Eat at Joe's would allow customers to take the good feelings home with them, in the form of 50's memorabilia.

The Company's expansion strategy is to open restaurants either through Joint Venture agreements or Company owned units. Units may consist of a combination of full service restaurants or food court locations. Restaurant construction will take from 90-150 days to complete on a leased site.

In considering site locations, the Company concentrates on trade demographics, such as traffic volume, accessibility and visibility. High Visibility Malls and Strip Malls in densely populated suburbs are the preferred locations. The Company also scrutinizes the potential competition and the profitability of national restaurant chains in the target market area. As part of the expansion program, the Company will inspect and approve each site before approval of any joint venture or partnership.

A typical food court unit is approximately 500 square feet, whereas for a full service operation it is approximately 3,500 square feet. Food court operation consists of a limited menu. A full service restaurant consists of 30-35 tables seating about 140- 150 people. The bar area will hold 6-8 tables and seats 30-35 people.

The restaurant industry is an intensely competitive one, where price, service, location, and food quality are critical factors. The Company has many established competitors, ranging from similar casual-style chains to local single unit operations. Some of these competitors have substantially greater financial resources and may be established or indeed become established in areas where the Eat at Joe's Company operates. The restaurant industry may be affected by changes in customer tastes, economic, demographic trends, and traffic patterns. Factors such as inflation, increased supplies costs and the availability of suitable employees may adversely affect the

restaurant industry in general and the Eat at Joe's Company Restaurant in particular. Significant numbers of the Eat at Joe's personnel are paid at rates related to the federal minimum wage and accordingly, any changes in this would affect the Company's labor costs.

Results of Operations - From March 1, 1990 to December 12, 1995 the Company was an inactive corporation. From December 12, 1995 to November 1997 the Company was a development stage company and had not begun principal operations. During November and December, 1997 two restaurants were opened and began operations, two restaurants opened during May 1998, three restaurants opened during third quarter 1998, two restaurants opened during fourth quarter 1998, and three restaurants were acquired during March 1999. Additionally, 4 restaurants were closed during second quarter 1999, two were closed during fourth quarter 1999, and four more were closed during 2000. Accordingly, comparisons with prior *periods are not meaningful.*

Total Revenues - For the years ended December 31, 2000 and 1999, the Company had total sales of approximately $1,913,000 and $3,461,000 respectively.

Costs and Expenses - For the years ended December 31, 2000 and 1999, the Company had a net loss of approximately $3,017,000 and $6,452,000 respectively. The net loss for 2000 and 1999 is largely attributable to a loss on abandonment of assets from the closure of restaurants of approximately $1,972,000 and $4,359,000 respectively. The remaining loss from 2000 and 1999 is largely attributable to additional expenses incurred as the Company increases its Corporate overhead structure for the development of additional locations. Given the increases and decreases in number of restaurants during 2000 and 1999, any discussion of operating expenses as a percentage of sales would not be meaningful and might be misleading.

LIQUIDITY AND CAPITAL RESOURCES

The Company has met its capital requirements through the sale of its Common Stock, Convertible Preferred Stock, Convertible Debentures and Notes Payable. .

Since the Company's re-activation in January, 1997, the Company's principal capital requirements have been the funding of (i) the development of the Company and its 1950's diner style concept, (ii) the construction of its existing units and the acquisition of the furniture, fixtures and equipment therein and (iii) towards the development of additional units. During 2000 and 1999 the company paid approximately $178,000 and $696,000, respectively for property and equipment..

During 2000 and 1999, the Company has raised approximately $800,000 and $2,010,000 through short-term notes payable and advances from majority stockholders. The net proceeds to the Company were used for additional unit development and working capital.

For the years 2000 and 1999, the Company used approximately $445,000 and $1,341,000 in cash flow for operating activities.

After the completion of its expansion plans, the Company expects future development and

expansion will be financed through cash flow from operations and other forms of financing such as the sale of additional equity and debt securities, capital leases and other credit facilities. There are no assurances that such financing will be available on terms acceptable or favorable to the Company.

Government Regulations - The Company is subject to all pertinent Federal, State, and Local laws governing its business. Each Eat at Joe's is subject to licensing and regulation by a number of authorities in its State or municipality. These may include health, safety, and fire regulations. The Company's operations are also subject to Federal and State minimum wage laws governing such matters as working conditions, overtime and tip credits.

EAT AT JOE'S LTD. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2000, AND 1999

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of accounting policies for Eat At Joe's, Ltd. And subsidiaries is presented to assist in understanding the Company's financial statements. The accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Organization and Basis of Presentation

Eat At Joe's Ltd. (Company) was incorporated on January 6, 1988, under the laws of the State of Delaware, as a wholly-owned subsidiary of Debbie Reynolds Hotel and Casino, Inc. (DRHC) (formerly Halter Venture Corporation or

Halter Racing Stables, Inc.) a publicly-owned corporation. DRHC caused the Company to register 1,777,000 shares of its initial 12,450,000 issued and outstanding shares of common stock with the Securities and Exchange Commission on Form S-18. DRHC then distributed the registered shares to DRHC stockholders.

During the period September 30, 1988 to December 31, 1992, the Company remained in the development stage while attempting to enter the mining industry. The Company acquired certain unpatented mining claims and related equipment necessary to mine, extract, process and otherwise explore for kaolin clay, silica, feldspar, precious metals, antimony and other commercial minerals from its majority stockholder and other unrelated third-parties. The Company was unsuccessful in these start-up efforts and all activity was ceased during 1992 as a result of foreclosure on various loans in default and/or the abandonment of all assets. From 1992 until 1996 the Company had no operations, assets or liabilities.

During the year ended December 31, 2000, the Company changed the domicile of each of the following subsidiaries to Nevada; E.A.J. Hold, Inc., E.A.J. Shoppes, Inc., E.A.J. Cherry Hill, Inc., E.A.J. Innerharbor, Inc., E.A.J. Neshaminy, Inc., E.A.J. PM, Inc., E.A.J. Echelon, Inc., E.A.J. Market East, Inc., E.A.J. MO, Inc., E.A.J. Syracuse, Inc., E.A.J. Walnut Street, Inc., and E.A.J. Owings, Inc.

Principles of Consolidation

The consolidated financial statements include the accounts of Eat At Joe's, LTD. And its wholly-owned subsidiaries, E.A.J. Hold, Inc., a Nevada corporation ("Hold"), E.A.J. Columbia corporations. All significant intercompany accounts and transactions have been eliminated.

Nature of Business

The Company is developing, owns and operates theme restaurants styled in an "American Diner" atmosphere.

Inventories

Inventories consist of food, paper items and related materials and are stated at the lower of cost (first-in, first-out method) or market.

Income Taxes

The Company accounts for income taxes under the provisions of SFAS No. 109, "Accounting for Income Taxes." SFAS No.109 requires recognition of deferred income tax assets and liabilities for the expected future income tax consequences, based on enacted tax laws, of temporary differences between the financial reporting and tax bases of assets and liabilities.

Depreciation

Office furniture, equipment and leasehold improvements, are stated at cost. Depreciation and amortization are computed using the straight-line method over the estimated economic useful lives of the related assets as follows:

Furniture & Fixtures	*5-10 years*
Equipment	*5- 7 years*
Leasehold improvements	*8-15 years*

Maintenance and repairs are charged to operations; betterments are capitalized. The cost of property sold or otherwise disposed of and the accumulated depreciation thereon are eliminated from the property and related accumulated depreciation accounts, and any resulting gain or loss is credited or charged to income.

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Amortization

Intangible assets are amortized over useful life of 10 years.

The Company has adopted the Financial Accounting Standards Board SFAS No., 121, "Accounting for the Impairment of Long-lived Assets." SFAS No. 121 addresses the accounting for (i) impairment of long-lived assets, certain identified intangibles and goodwill related to assets to be held and used, and (ii) long-live lived assets and certain identifiable intangibles to be disposed of. SFAS No. 121 requires that long-lived assets and certain identifiable intangibles be held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If the sum of the expected future cash flows from the used of the asset and its eventual disposition (undiscounted and without interest charges) is less than the carrying amount of the asset, an impairment loss is recognized.

Pervasiveness of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles required management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

The Company has no significant off-balance-sheet concentrations of credit risk such as foreign exchange contracts, options contracts or other foreign hedging arrangements. The Company maintains the majority of its cash balances with one financial institution, in the form of demand deposits.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents to the extent the funds are not being held for investment purposes.

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Earnings (Loss) Per Share

Diluted net income per common share was calculated based on an increased number of shares that would be outstanding assuming that the warrants are converted to common shares. The effect of outstanding common stock equivalents are anti-dilutive for 1999 and 1998 and are thus not considered.

The reconciliations of the numerators and denominators of the basic earnings per share computations are as follows:

	For the Year Ended 1999		
	Income	Shares	Per Share Amount
Basic EPS Net Loss to common shareholders	$ (6,451,751)	26,406,856	$ (0.24)

	For the Year Ended 2000		
	Income	Shares	Per Share Amount
Basic EPS Net Loss to common shareholders	$ (3,016,587)	43,857,607	$ (0.07)

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reclassifications

Certain reclassifications have been made in the 1999 financial statements to conform with the 2000 presentation.

NOTE 2 - SHORT-TERM NOTES PAYABLE

Short-Term Notes Payable consist of loans from unrelated entities as of December 31, 2000 and 1999. The notes are payable one year from the date of issuance together with interest at 6.50% A.P.R.

NOTE 3 - INCOME TAXES

Deferred taxes result from temporary differences in the recognition of income and expenses for income tax reporting and financial statement reporting purposes. Deferred benefits of $1,020,000 and $2,040,000 for the years ended December 31, 2000 and 1999 respectively, are the result of net operating losses.

The Company has recorded net deferred income taxes in the accompany consolidated balance sheets as follows:

	As at December 31,	
	2000	1999
Future deductible temporary differences related to		
Reserves, accruals, and net operating losses	$ 3,855,000	$ 2,829,000
Valuation allowance	(3,855,000)	(2,829,000)
Net Deferred Income Tax	$ --	$ --

NOTE 3 - INCOME TAXES (Continued)

As of December 31, 2000, the Company had a net operating loss ("NOL") carry forward for income tax reporting purposes of approximately $11,337,000 available to offset future taxable income. This net operating loss carry forward expires at various dates between December 31, 2003 and 2018. A loss generated in a particular year will expire for federal tax purposes if not utilized within 20 years. Additionally, the Internal Revenue Code contains provisions which could reduce or limit the availability and utilization of these NOLs if certain ownership changes have taken place or will take place. In accordance with SFAS No. 109, a valuation allowance is provided when it is more likely than not that all or some portion of the deferred tax asset will not be realized. Due to the uncertainty with respect to the ultimate realization of the NOLs, the Company established a valuation allowance for the entire net deferred income tax asset of $3,787,000 as of December 31, 2000. Also consistent with SFAS No. 109, an allocation of the income (provision) benefit has been made to the loss from continuing operations.

The difference between the effective income tax rate and the federal statutory income tax rate on the loss from continuing operations are presented below:

	As at December 31,	
	2000	1999
Benefit at the federal statutory rate of 34%	$ 1,020,000	$ 2,040,000
Nondeductible expenses	--	--
Utilization of net operating loss carryforward	$ 1,020,000	$ (2,040,000)
	$ --	$ --

NOTE 4 - PURCHASE OF SUBSIDIARIES

The Company has entered into a non-binding letter of intent to acquire a 16 unit regional restaurant chain. Either party to the letter may terminate the letter of intent without penalty. The parties have agreed to proceed toward negotiation of a mutually agreeable purchase agreement. No assurances can be given that the purchase of the restaurant chain will be completed.

In March of 1999, 1337855 Ontario, Inc. ("Ontario"), wholly owned subsidiary of the Company entered into a purchase agreement with Koo Koo Roo Canada Limited (Koo Koo Roo) to acquire certain assets and assume certain liabilities of that company. Koo Koo Roo is a California-based casual dining, quick service restaurant chain featuring skinless flame broiled chicken, roasted hand-carved turkey and made-to-order tossed salads and specialty sandwiches. In

NOTE 4 - PURCHASE OF SUBSIDIARIES (Continued)

consideration for its payment of approximately $375,000, Ontario acquired (1) a 20 year exclusive license agreement in Canada with a 20 year renewal term to operate Koo Koo Roo restaurants; (2) re-negotiated the leases to operate 3 existing Koo Koo Roo locations in Toronto, and (3) satisfied outstanding debt obligations due the second lender to Koo Koo Roo.

On July 1, 2000, the Company opened a new restaurant in Toronto, Ontario. The restaurant is called "Mediterraneo" and offers primarily Italian Cuisine.

NOTE 5 - RENT AND LEASE EXPENSE

The Company occupies various retail restaurant space under operating leases beginning October 1997 and expiring at various dates through 2012.

The minimum future lease payments under these leases for the next five years are:

Year Ended December 31,	Real Property	Equipment
2001	269,808	-
2002	269,808	-
2003	269,808	-
2004	269,808	-
2005	269,808	-
Total five year minimum lease payments	$ 1,349,040	$ -

The leases generally provides that insurance, maintenance and tax expenses are obligations of the Company. It is expected that in the normal course of business, leases that expire will be renewed or replaced by leases on other properties.

NOTE 6 - RELATED PARTY TRANSACTIONS

During 2000 and 1999, an officer, Joe Fiore, CEO of the Company, and/or companies controlled by the officer paid expenses and made advances to the Company. As of December 31, 2000, $1,373,022 in advances was due to Mr. Fiore.
