Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Section 4 - Matters Related to Accountants and Financial Statements

Item 4.01 Changes in Registrant's Certifying Accountant.

(b) On July 2, 2018, the Registrant engaged Haynie & Co. as its principal accountant to audit the Registrant's financial statements. During the Registrant's two most recent fiscal years, and any subsequent interim period prior to engaging Haynie & Co., the Registrant did not consult with Haynie & Co. regarding any application of accounting principles to a specified transaction, either completed or proposed; the type of audit opinion that might be rendered on the Registrant's financial statements; or, any matter that was either the subject of a disagreement with the Registrant's former independent auditor or other reportable event.

We are excited about the engagement because Haynie and Co. has the necessary organization to accommodate the Company's current and anticipated future auditing needs, including international affiliations, which are important to the Company's future business plans. As the Company's new independent auditor, Haynie & Co. will perform a re-audit of the Company's 2016 and 2017 financial statements, to be included in an amended Form 10K to ensure a seamless transition and clear path forward. The Company expects those re-audits to be completed and the amended Form 10K to be filed on or before August 15, 2018.
